

Thank you for doing your part!

By getting the COVID-19 vaccine, you helped us all take another step toward life returning to normal. Please help as many people as possible be protected by the vaccine. Take a minute to think about who you could encourage to get the vaccine, and fill in the blanks:

I want _____ to stay healthy, so I'll help them get the COVID vaccine by _____.

You can help people locate nearby vaccine sites at getvaccinated.oregon.gov/#/locator or use social media to explain why you got the vaccine, using the hashtag **#MyVaccineReason**

Everyone ages 12 and older can get the vaccine. Let's all help each other get to better days ahead!

We care about you after your vaccine, too!

Get started with v-safe

Use your smartphone to tell CDC about any side effects you experience after getting the COVID-19 vaccine. You'll also get reminders if you need a second dose.

Visit vsafe.cdc.gov or scan QR code to the left to sign up.

Parents and guardians can enroll children
ages 12 and older in v-safe, too!
