

## *Tillamook County Community Advisory Council*

*Wednesday, August 11, 2021 3:00 -5:00pm*

### **AGENDA ITEMS:**

Meeting called to order at 3:01pm by Chair. We approved minutes and agenda.

**CWIF update:** Nancy announced that we have two applications for CWIF. We will applications to the review committee and review them in September.

**Equity Learning Theme: Health Data:** Heather presented an activity and we provided feedback on health equity. We discussed why health equity matters, and what that would look like.

**Behavioral Health and Housing:** CCO efforts to address housing: the CCO has put eight million dollars into workforce stabilization for the past 4-5 months, and is putting a lot of resources into developing housing through the Regional Housing Impact Fund. Any partners who would like to sponsor housing initiatives can contact Leslie Ford at the CCO. OUR Tillamook is involved in harm reduction.

**IA Update:** Joell provided an update on hospitalizations and cases in the region. The CCOs now have Incentive Metrics for vaccinations, and Oregon Health Authority has deployed teams to areas where vaccines are low but people might be receptive. Discussed the Medicaid Waiver. Vaccine boosters may be approved soon.

**Community Check-in:** The group used this time to review proposed onboarding materials.

Meeting ended at 5:02pm. **Next meeting is September 8, 2021 from 3-5pm**
