Focus: Pharmacy benefits and services

Our members rely on medications to get and stay healthy. **That's why we pay for many prescription drugs.** We want to make sure you have the medications you need. If you urgently need a drug that's not covered, call Customer Service at **855-722-8206 or TTY 711.**

Covered medications

Many prescriptions are paid for under your Medicaid drug coverage, but not all of them are. **The formulary is a booklet showing which drugs we cover.** When your provider prescribes a medicine, ask if it's on Columbia Pacific CCO's formulary.

Refills

Most prescriptions are limited to **31 days or less.** For most medications, the earliest date you can get a refill is 23 days after you filled your last prescription. We fill 90-day prescriptions for many medications that treat chronic diseases.

These drugs are not covered:

- ▶ Drugs not on our formulary.
- ▶ Drugs that treat conditions not covered by the Oregon Health Plan.
