a) Approval for CEO to approve transfers of up to \$4.0 million, in aggregate, through Q1 2021 to fund the JCC restricted reserve account, as needed, for the purpose of meeting the CCO contract requirements.	(Action)	Scott Kelly		
<p>Background: This transaction is part of normal operations, is a compliance requirement and reflects cash transfer(s) between the checking and investment accounts. OHA contract requires CCOs to maintain restricted reserves, as calculated by a prescribed formula. As CCO membership and medical costs increase, so too increase the levels of reserves required by OHA. In November 2020, OHA announced changes in the calculation of the reserves that effectively increase the reserve requirement for JCC. The reserves are held in the joint (JCC and OHA) investment account. Transfers up to \$500,000 are approved by JCC management on a quarterly basis. Transfers exceeding \$500,000 are to be approved by the JCC finance committee.</p> <p>Finance committee recommends the JCC Board approve up to \$4.0 million of additional restricted reserve funding through Q1 2021. This will adequately provide for \$1.0 million required through Q3 2020, and anticipated funding needs for Q4 2020 (\$1.2M) and Q1 2021 (\$1.6M).</p>
