When people talk about Medicaid in Oregon, you may hear them say a lot of different names or letters. That's because there are many organizations involved in making sure you get the care you deserve. How can you make sense of it all?

Jackson Care Connect is what's called a coordinated care organization (CCO). Oregon's CCOs exist to provide health insurance and much more. We look at the broad picture of your health and help with other services you wouldn't expect from a health care company. We also work with community partners to give you access to better health.
