

Focus: Choosing a provider

It's important have a trusting relationship with all of your providers — including physical, dental and mental health providers. A close relationship means your provider knows you and your health best, and you feel comfortable when you see them. Health Share/CareOregon wants to help you build that relationship and find a provider who works best for you.

How to choose a provider

- ▶ **Location:** Are they near you?
- ▶ **What makes you you:** Will they understand the issues related to your race, gender, sexual orientation, religion, personal history, culture or whatever makes you unique?
- ▶ **Language:** Do they speak your language?
- ▶ **Approach to care:** Do they offer the services you want?

Building a relationship

In a good, close relationship with a provider:

- ▶ You can talk with your provider about personal things.
- ▶ You feel listened to and safe.
- ▶ You know that your provider will advocate for your unique needs and give you advice you can trust.

Switching providers

If you want to switch from one provider to another, that's okay.

Get to know CareOregon

Your health benefits are provided by CareOregon, your Medicaid health plan. Learn more about us here.

When people talk about Medicaid in Oregon, you may hear them say a lot of different names or letters. That's because there are many organizations involved in making sure you get the care you deserve. How can you make sense of it all?

It helps to think of Medicaid in Oregon like a pyramid

Oregon Health Authority (OHA) runs the Medicaid program for the entire state of Oregon, which is called the Oregon Health Plan (OHP).

Health Share of Oregon (HSO) is what's called a coordinated care organization (CCO). Health Share of Oregon works under OHA to serve OHP members in the tri-county area.

CareOregon is one of several insurance providers in the tri-county area that help Health Share CCO deliver care. We also help coordinate health care benefits and services for our members.

Your **primary care provider (PCP)** might be a doctor, a nurse practitioner, a physician's assistant or a naturopath. They coordinate your care with CareOregon and other medical team members like dentists, mental health providers, pharmacists and others.

CareOregon provides services like these for Medicaid (OHP) members:

- ▶ Physical health care
- ▶ Mental health care
- ▶ Substance use treatment
- ▶ Dental care
- ▶ Medicare through CareOregon Advantage
- ▶ Hospice and palliative care through Housecall Providers

You'll also be able to use important services like these:

- ▶ Care coordination
- ▶ Pharmacy
- ▶ Prenatal and infant care
- ▶ Transportation options
- ▶ Language interpreter services
- ▶ ER and urgent care

You can get this in other languages, large print, braille or a format you prefer. You can also ask for an interpreter. This help is free. Call 800-224-4840 or TTY 711.
