

Get to know **ALL** of your benefits

Focus: Transportation

Your health matters to us, which is why your benefits include help with trips to health care appointments and services that are covered through the Oregon Health Plan (OHP). If you have no way to get to a covered health care appointment, our partner **Ride to Care** can get you there.

Three ways get to appointments

The Ride to Care customer service team will work with you to find the most-appropriate and least-costly option to fit your needs:

Public transit

We provide daily or monthly transit passes. We'll discuss your appointments and decide whether a day or monthly pass is better suited to your scheduled visits.

Reimbursement

We pay a per-mile rate for mileage to and from health care visits. You can drive yourself, or someone else can drive you. Print an appointment verification form at ridetocare.com and ask your provider's office staff to sign it. Reimbursement is loaded onto a prepaid debit card.

Vehicle-provided rides

We can schedule private and shared rides. Based on your medical needs, we can send a sedan, wheelchair van, stretcher vehicle or non-emergent ambulance.

You have the right to request a same-day or next-day ride. However, if your request is on short notice, and demand for rides is high, we prioritize medically urgent requests.

When people talk about Medicaid in Oregon, you may hear them say a lot of different names or letters. That's because there are many organizations involved in making sure you get the care you deserve. How can you make sense of it all?

It helps to think of Medicaid in Oregon like a pyramid

Oregon Health Authority (OHA) runs the Medicaid program for the entire state of Oregon, which is called the Oregon Health Plan (OHP).

Health Share of Oregon (HSO) is what's called a coordinated care organization (CCO). Health Share of Oregon works under OHA to serve OHP members in the tri-county area.

CareOregon is one of several insurance providers in the tri-county area that help Health Share CCO deliver care. Transportation services are covered under CareOregon.

Your primary care provider (PCP) coordinates your care with CareOregon and other medical team members like nurse practitioners, mental health providers, pharmacists and others.

CareOregon provides services like these for Medicaid (OHP) members:

- ▶ Physical health care
- ▶ Mental health care
- ▶ Dental care
- ▶ Medicare

You'll also be able to use important services like these:
