

Behavioral Health organizations that **DO NOT** hold a Certificate of Approval or organizational license from Oregon Health Authority (OHA)

Contracted with CareOregon for services to Health Share members: Effective January 1, 2020, Behavioral Health organizations that are comprised exclusively of licensed practitioners (including LCSW and LPC board-registered interns) and DO NOT hold a Certificate of Approval or organizational license with OHA will no longer be delegated to credential their own practitioners.

CareOregon will be responsible for credentialing and providers working at these organizations will only be loaded by CareOregon in PhTech’s CIM platform for claim and authorization processing.

Task	2019	2020
Credentialing of licensed practitioners	Delegated to organization	CareOregon responsible
Recredentialing of licensed practitioners	Delegated to organization	CareOregon responsible
OIG/SAM monitoring	Delegated to organization	CareOregon responsible
License monitoring	Delegated to organization	CareOregon responsible
Practitioner rosters	Delegated to organization	CareOregon responsible

- CareOregon has received rosters from Health Share and is accepting the credentialing that organizations have already completed.
- CareOregon will reach out 90 days in advance of a practitioner’s recredentialing date. The request from the credentialing department will include details on what is needed to recredential a practitioner.

To credential a practitioner with CareOregon after January 1, 2020, please submit an Oregon Practitioner Credentialing Application (OPCA) to credentialing@careoregon.org or fax to 503-416-3665.

- CareOregon will notify PH Tech immediately after a provider is credentialed.
- CareOregon will mail a credentialing approval letter to practitioners when credentialing has been completed .

*CareOregon would like to request that organizations submit one last roster after December 31, 2019 and before January 31, 2020 to ensure that all practitioners are set up appropriately in our credentialing software. Please submit to credentialing@careoregon.org and include your organization name and the word “roster” in the subject line.
