

CareOregon (Medicaid) Specialty Drug List

This list reflects medications designated as specialty drugs under the pharmacy benefit. Most specialty drugs require a prior authorization for medical necessity. Please review our formulary document (drug list) for coverage details. If covered through the prior authorization process, these drugs will be limited to being dispensed to defined specialty pharmacies. You may call customer service with any questions:

Columbia Pacific CCO: toll-free, 855-722-8206
