Oregon Health Plan – Dental membership flow

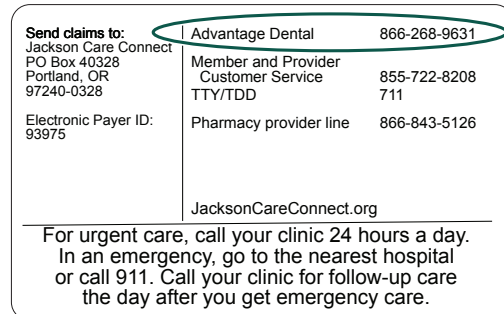

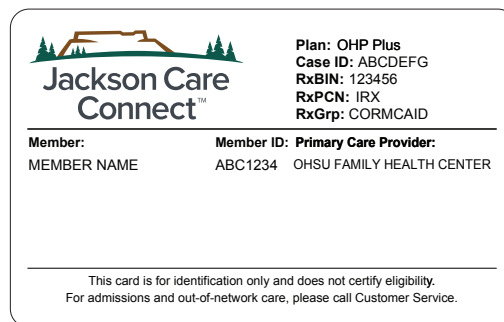

Jackson Care Connect (JCC) partners with the four dental plans below to administer dental benefits for members. JCC assigns members to one of these four plans. If a member would like to change dental plans, contact JCC customer service 855-722-8208.

Contact the member’s dental plan for help finding a dentist. To find the member’s dental plan, check the back of the ID card or call Jackson Care Connect.

Jackson Care Connect members:
